

Jesse Hibbetts

Director of Operations

Jesse Hibbetts started his career at Port Freeport in March of 2006 as a supervisor for the port. He managed the transfers for both Dole and Chiquita while overseeing the vessel schedule and labor coordination.

In 2015, Jesse was promoted to Operations Manager where he was responsible for the Facility Maintenance, Operations, and Budget for the Operations Department.

As of April 2024, Jesse assumed the role as Director of Operations where he looks forward to welcoming new customers to Port Freeport while maintaining strong relationships with all the tenants. A quick snapshot of duties would be overseeing and maintains the functions of the Port including vessel operations, cargo operations, safety, security, traffic flows, customer service, Port Tariff and invoicing, ship to shore gantry cranes, both revenue & expense budgets, and facility maintenance all while working to accomplish the Port's strategic goals.
