

Port Freeport

Request For Qualifications - Professional A/E Design Services

Solicitud de Cualificaciones - Servicios Profesionales de Diseño A/E

Port Freeport (Port) plans to develop a refrigerated cross-dock facility on Port property. Accordingly, the Port is seeking to contract with a qualified Design Firm to prepare a bid package, assist with bid opening, and project delivery of a cross-dock building of approximately 50,000 square feet. Sealed qualifications showing relative experience in the design of refrigerated cross-dock buildings in coastal windstorm areas will be received at the Port Freeport office located at 1100 Cherry Street, Freeport, Texas 77511 until 2:00 p.m. on Tuesday, August 12, 2025. The Port reserves the right to accept or reject any and all responses resulting from this RFQ, as the best interest of the Port may require, and to waive any informality in submittals received. In accordance with the Texas Professional Services Procurement Act and the Brooks Act, the Director of Engineering will review the respondent's demonstrated qualifications and experience in the design of refrigerated buildings in coastal areas and then notify the most qualified firm of the selection in writing and request they submit a fee proposal. The respondents who are determined to be less qualified will also be notified in writing and thanked for their effort in submitting. Qualifications Statements shall not include fees, dollar amounts, or compensation rates of any kind. Call 979 233-2667 x4322 with any questions regarding the request.

Statements of Qualifications shall be delivered to the Port inside a sealed envelope and addressed to:

Port Freeport - Director of Engineering

1100 Cherry Street

Freeport, Texas 77511
