COMMUNITY ADVISORY PANEL MEETING

Freeport, TX (January 17, 2017) – Port Freeport hosted the first Community Advisory Panel (CAP) Meeting of 2017 on the 12th of January at its Administration Building. Mammoet USA South, Technical Solution Manager, Michael Cook presented the program to the Advisory Panel. Mr. Cook spoke about Mammoet’s heavy lifting services, transporting logistics and salvage operations.

Mammoet services are provided to the petrochemical and mining industries, civil engineering, power generation and offshore projects. They ensure that large and heavy construction components are delivered safely from manufacturers to their final destinations. Mammoet employs over 500 employees in the state of Texas and over 6,000 worldwide. For more information regarding this tenant visit www.mammoet.com.
