MEGLOBAL PRESENTS AT PORT FREEPORT QUARTERLY CAP MEETING

Freeport, TX (April 17, 2018) - On April 10th, the Community Advisory Panel (CAP) held its quarterly meeting at Brazosport College Center for Arts and Sciences. Port Freeport Executive Director/CEO Phyllis Saathoff provided an update for the members on Port progress and the upcoming bond election.

MEGlobal leaders, Jim Ashworth, Director of Contracts and Procurement for the BookraMEG project and Scott Daigle, MEGlobal Oyster Creek Site leader were the guest speakers for the evening, informing guests on the company, its products and construction of the new plant in Oyster Creek.

MEGlobal is a fully integrated supplier of monoethylene glycol (MEG) and diethylene glycol (DEG), collectively known as ethylene glycol (EG). EG is a raw material used in a wide variety of products and applications including the manufacture of polyester fibers, polyethylene terephthalate resins (PET), antifreeze formulations and other industrial products. For more information about MEGlobal, please visit their website at www.meglobal.biz.
