M/V INDUSTRIAL STRENGTH'S MAIDEN VOYAGE TO PORT FREEPORT

Freeport, TX (November 16, 2016) – On Monday, the 482-foot Motor Vessel (M/V) Industrial Strength made its maiden voyage to Port Freeport from China. M/V Industrial Strength transported over 1,800 tons of project cargo into the Port. The project cargo included propane vaporizers which will be used by a Port Freeport tenant for the construction of their project. Al Durel, Port Freeport Director of Operations presented a maiden voyage plaque to Captain Pavel Dragayev.
