PORT FREEPORT HOSTS FIRST COMMUNITY ADVISORY PANEL MEETING OF 2018

Freeport, TX (February 9, 2018) - On February 6th, the Community Advisory Panel's first meeting of 2018 was held at the ABC Building in Freeport. Along with receiving an update on port activity from Director of Operations, Al Durel, Port Freeport welcomed James Nash, General Manager of Horizon Terminal Services (HTS), as the guest speaker for the evening.

Nash provided an overview of HTS along with a video and pictures focusing on their operations in Freeport. Horizon Terminal Services plays a key role in the processing and storage of vehicles and equipment at the Port. The many services HTS provides, including loading and unloading cargo, quality inspection, and vehicle storage, bring an increasing number of job opportunities to the port community.

For more information about Horizon Terminal Services, please visit their website at www.horizonterminals.com.
